## Responsible Party Doctrine

Remnant Highway, PMA as a private membership association within the peremptory norms and customary international law in accordance with the Law of Nations published by Vattel in 1758 and the Universal Declaration of Human Rights and under Bilateral social compact have the obligation to remain responsible as to perform the obligations in the enforcement of rights.

A negative right being not to impose and or infringe a right as opposed to a positive right that in the performance of an obligation enforces a right under agreement. The trustees, agents and clients alike in all Trustee Membership, Agent Membership and Client Membership shall perform on all obligations, duties and responsibilities as to have a fair and equal status that will have mutual friendship and reciprocity for jure gestonis for this private membership association to capitalize in an open and free market.

All members agree upon membership, that in the imposition if a right held so sacred to break, or refusal to perform on an obligation this membership and the bilateral social compact agreement is meant to secure, that the member will disqualify membership and depending on the severity of the nature of the rights in violation, liability to suit in all due process as to public and private international law.
